Saints Constantine and Helen Greek Orthodox Christian Church of
Cheyenne, Wyoming, welcomes you and thanks you for attending our 37th
Annual Cheyenne Greek Festival!

We hope you enjoy all that we have to offer.

What started as a modest bazaar at the Greek Orthodox Christian Church has become a cultural staple in Cheyenne. The Cheyenne Greek Festival returns to Cheyenne once again bringing the vibrant Greek culture to life at the Frontier Park Exhibition Hall. The Cheyenne Greek Festival has been at its current location for 36 years but was originally formed as a fundraising bazaar and luncheon for the church. The money raised from the event still benefits Saints Constantine and Helen Greek Orthodox Christian Church and other local charities in the community.

SAINTS CONSTANTINE AND HELEN GREEK ORTHODOX CHRISTIAN CHURCH

Our Parish is more than just a place where people come to worship the living God (*although it is also that!*). Saints Constantine and Helen Greek Orthodox Christian Church is a vibrant, faithful community of people of all ages and backgrounds who are working out their faith together and raising their families in accordance with the commandments of our Lord and Savior Jesus Christ; along with the traditions of the ancient Holy Orthodox Christian Church. Our Parish hosts a number of ministry opportunities for a diverse cross-section of ages, from the youngest to the eldest, we have a group for you to join and be a part.

Whether you are a fellow Christian, or a non-Christian, on a journey, or just wanting to visit a local Orthodox parish, you will be welcome at Saints Constantine and Helen. Services are done in English, with just a slight touch of the original Greek and other languages of traditionally Orthodox lands to maintain a strong and impenetrable connection to the early Church.

You are welcome here and we are always honored to have visitors join us for prayer and worship. Please feel free to contact us if you have any questions.

CHARITY OF CHOICE

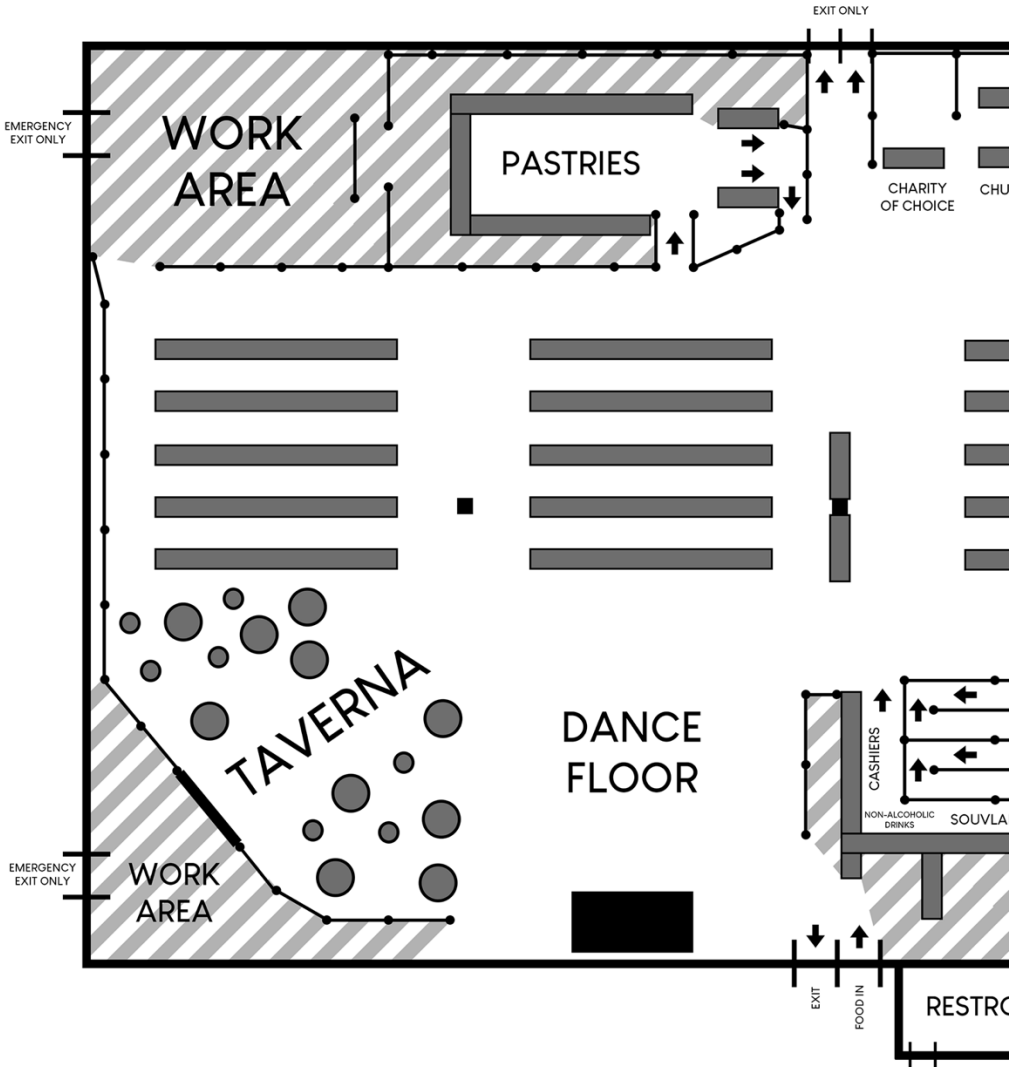

Single moms and their children experience the highest rate of poverty in Wyoming. To date, Climb has helped thousands of single-mom families across the state reach self-sufficiency through careers in healthcare, commercial driving, office administration, construction trades, and more.

Climb graduates consistently double their monthly income and decrease their reliance on public assistance programs, thanks to a comprehensive, evidence-based program approach that includes job skills training, life skills, and mental health services.

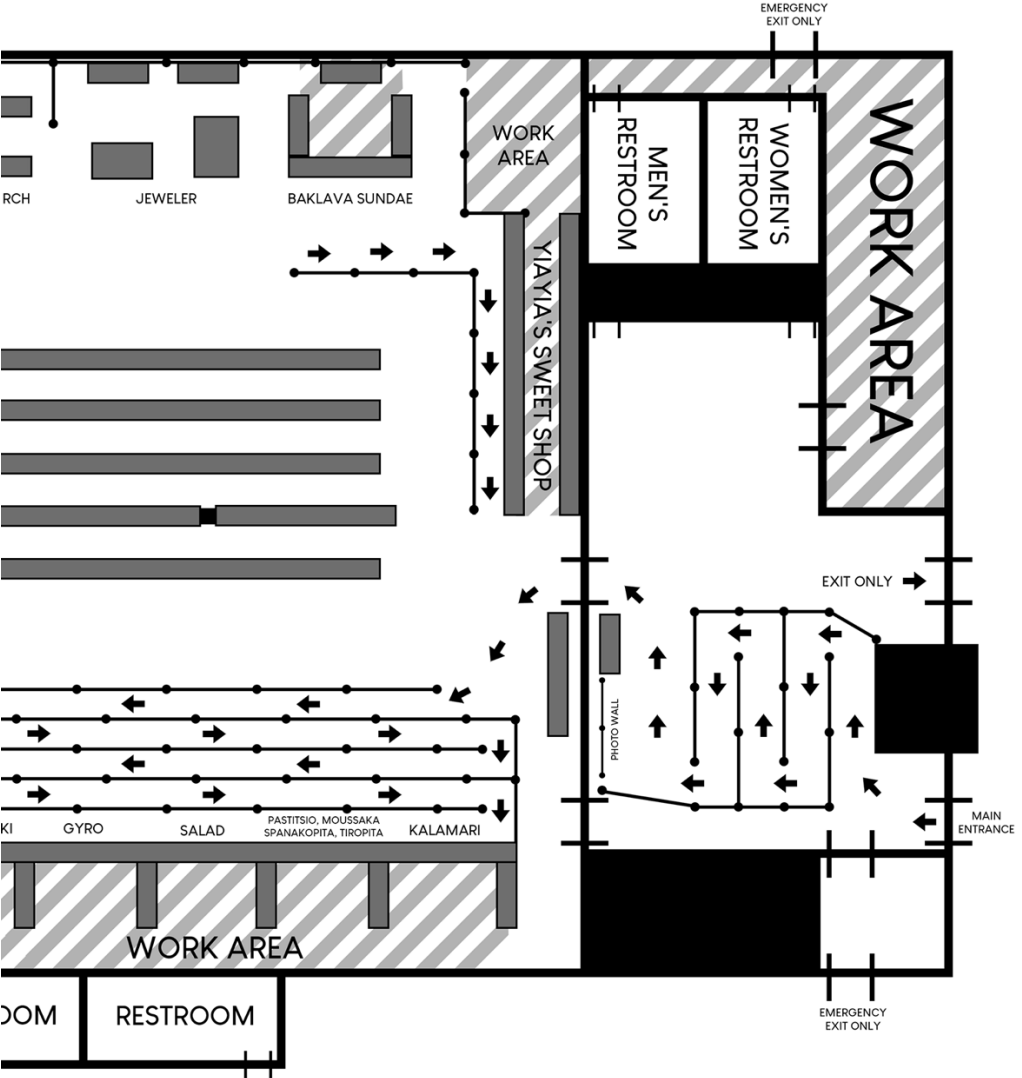

When a mom is employed in a stable, well-paying job with benefits, her children gain stability and have greater access to food, housing, school and activities, healthcare, and beyond. This truly gives her family a chance to not only survive, but thrive and grow in a way that positively impacts the entire state of Wyoming.
